

Louisiana State Police Troop L's Child Safety Seat Inspection Every Tuesday from 3-6 pm.

- **Car seat use reduces the risk for death to infants (aged <1 year) by 71%; and to toddlers (aged 1–4 years) by 54% in passenger vehicles.**
- **Booster seat use reduces the risk for serious injury by 45% for children aged 4–8 years when compared with seat belt use alone.**
- **For older children and adults, seat belt use reduces the risk for death and serious injury by approximately half**

Come to Troop L and have your child seat inspected by certified technicians for proper installation and fit. Technicians will also check for any safety recalls on your seat.
