

PRESIDENT'S MESSAGE

Sal Guarino

In my last message in the 2004 Eden Islander, I mentioned that 2005 will be an exciting year for our community and from the comments and suggestions discussed at the January 4th board meeting, I am confident that our 2005 goals will be achieved --- will it be easy? --- No!. --- will everyone be happy? ---No!, but I can assure you that the changes will be noticeable and appreciated by the majority.

The resurfacing and striping of the north side of Eden Isles is a welcome sight and many thanks to our councilmen, Jerry Binder and Coach Thomas. I will certainly be meeting with both gentlemen for their help in getting additional road repairs that need attention.

I believe everyone knows that I am persistent in my desire for beautification of our area. We are presently seeking quotations from landscapers to update the Hwy 11 entrance, and this will be accomplished with the dedicated funds received from Coastal Waste as a result of residents with the "Blue Garbage Cans". It is difficult for me to understand why some of the residents continue with the brown garbage cans wherein the association receives nothing but extra garbage trucks in our neighborhood. Beautification enhances the value of all of our property but it also takes money. As I have mentioned in the past, we are all very fortunate to live in the most convenient waterfront community in Louisiana. It would be interesting to hear from residents with the brown cans as to why they do not want to help the association. People take a lot for granted, but we need the help of everyone to be successful.

Once again, I am very thankful to the members of the Eden Isles Garden Club for their time and effort to maintain the entrances at Hwy. 11 and I-10. This is all voluntary and should be appreciated by all.

I would like to close by thanking the members of our Homeowners' Association, the new members who joined in 2004 and welcome any constructive comments and suggestions that could aid in our attempts

to make Eden Isles a better community.

Looking forward to seeing you at our January 25th General Membership Meeting.

Are You Aware That Your Covenants State:

1. Absolutely no construction may be initiated without the written approval of your subdivision's architectural committee.
2. No one may park overnight on any neighborhood street.
3. No one may unreasonably disturb or annoy their neighbors.
4. Relative to all of Eden Isles and Moonraker Phase 3, trash and garbage receptacles must be kept clean and hidden from public view when stored.
5. Relative to Eden Isles Phases 3 and 4, no trucks, trailers, campers, vessels or other vehicles nor any private automobiles in non-operative condition shall be parked or left on any lot or any public street for a period in excess of 48 hours, unless such vehicle or trailer or vessel is kept within a garage or fenced yard out of public sight.
6. Relative to Moonraker Phases 1 and 2, no part of the Properties shall be used for the parking or storage of commercial or recreational vehicles, boats, trucks larger than three quarter (3/4) ton, or trailers.
7. Relative to all of Eden Isles and Moonraker Phase 3, each lot owner shall maintain his lot in a presentable condition, keeping the grass and overgrowth trimmed neatly.

ARTICLES

 THIS IS YOUR NEWSLETTER! If you would like for the Association to publish your article in the newsletter, call Mattie at 781-7645

MAIL BOXES

Want to save a stamp when mailing in your dues? Want to save a stamp on that petition? Want to make a suggestion to the Association? **DROP IT IN ONE OF THE MAIL BOXES AT THE ENTRANCES TO THE NEIGHBORHOOD!!** At the Marina Drive entrance, the mail box is on the Eden Isles sign as you cross the bridge and at the beginning of the neutral ground. At the Highway 11 entrance, the mail box is attached to the community billboard.

!!!WARNING TO BOATERS!!!

All waterways in Eden Isles, including Moonraker Lake and Moonraker Canal have speed restrictions in them. **IF YOUR WAKE CAUSES DAMAGE TO ANOTHER BOAT OR BULKHEAD, NO MATTER WHAT YOUR SPEED, YOU MAY BE HELD LIABLE FOR THE DAMAGE.**

 If you observe a violation, call 911. They will get the appropriate authority to investigate the violation.

!!GIVE YOUR NEIGHBORS A BREAK - THROW NO WAKE!!

**???BUILDING/REPAIRING - HOUSE,
FENCE OR DOCK???**
!!!CHECK YOUR COVENANTS!!!

There are many buildings and boat dock projects underway in the neighborhood. Some of these projects do not conform to the area's covenants. Before beginning a project, check your covenants to see if you need to get approval from the Architectural Committee in your area. Copies of the covenants are on the Associations web site. If you don't have access to the internet call the Association's President, Sal Guarino, 690-6269, and he will arrange to get a copy to you.

!!!STOP SIGNS"

 The Association would like to remind residents that it is illegal to put notices on street signs. Putting a notice on a street sign certainly gets attention, BUT it can also draw you a \$500 fine. How will the authorities know who put the notice up? You left your phone number on the notice - remember!

There is also a new Parish Ordinance in place that restricts ANY signs from being placed on neutral grounds

without a permit. Violations will be prosecuted under the Parish's litter Ordinances and can draw a \$3,000 fine. There is a community billboard at the Hwy 11 entrance. **Please post your notices there.**

!!COMMON GROUNDS CUTTING!!

Please remove your vehicles, trailers, etc. from the common grounds. It costs the Association extra money to maintain the common grounds when your "STUFF" is left on it.

The GREENFORCE chairman, Ray Miller, will be talking with residents that insist on using the common grounds as their personal storage. If your "stuff" is on the common grounds, move it so the rest of the neighborhood can enjoy them. The common grounds ARE NOT a parking lot for the private use of residents. The common grounds belong to the neighborhood and are suppose to contribute to a park-like atmosphere.

Litter!

If you observe littering please get license plate number and call the LA. Litterbug number - 1-888-548-7284 to report them. If everyone reports the offenders maybe we can make our neighborhood and parish look better.

Attention Homeowners

If you know of someone in our neighborhood who needs home repairs or maintenance, yard work, painting, etc. please let your Homeowners' Board know. Let us help our neighbors who are unable to help themselves. Call a Board member!!

Please Do Patronize

Please remember to patronize all of our advertisers in the newsletter and let them know you saw their ad in the newsletter. They will appreciate your business.

Please don't speed!

Please don't speed on our streets. Please make them safe for our children.

HELP IS JUST AROUND THE CORNER

Garden Club

By Nancy Baldwin

Members of Eden Isles Garden Club enjoyed their Holidays with several fun and profitable activities. The Yard Lighting Contest Judging and Party was held at the home of Nunny Levis on Pebble Beach (see pictures of the winners.) Our monthly meeting held at Palmetto's Restaurant, with the Chinese Exchange game was loads of fun and the food delicious. We enjoyed decorating an angel tree that was on display at the Cultural Center during Slidell's "Christmas Under the Stars" Celebration. Three of our members created a beautiful gingerbread house that was on display. We toured homes in Metairie to help fund Country Day School. Our biggest philanthropy this month was an adopted family's Christmas-found through the Society of St. Vincent Paul's Adopt An Angel Program.

A committee of our Members put lights and decorations at our entrances again this year. We appreciate their at the entrances work each month.

January we will take a trip to Baton Rouge, touring the Brec Magnolia Mounds Plantation and lunch at Juban's Creole Restaurant. A Day At the Races is also planned. In March, we will take a trip to Mobile's Spring Hill College for the annual Festival of Flowers and to see the Dead Sea Scrolls. Recently, couples enjoyed a Natchez Dinner Cruise .

Our Arbor Day Project this year will be continuing to care for oak trees already planted on our common grounds; watering if you live across from one or two, and also installing PVC around trunks to protect from weed-whacking enthusiasts!

In December we had a demo about varieties, care and propagation of turks caps. In January, we learned about the care of camellia's. Each month was a beautiful display of the flowers.

Plans continue for the upcoming Flower Symposium. Also, plans are underway to help landscape a Habitat House in Old Town.

If you are interested in gardening and/or trips and tours to see flowers and plants at their best, call me, Eden Isles Garden Club Secretary, at 504-234-1888.
