HAPPY HOLIDAY

A Message From Our President...

CINDY FRANATOVICH

Dear fellow neighbors,

We are already ending 2010. I would like to thank the 2010 Board of Directors for their personal time and commitment to making this a wonderful neighborhood. We are so fortunate to live in such a caring community. We need volunteers to serve on the Board. If you have the time and willingness to serve, please consider becoming a part of your neighborhood homeowners association. Become involved in the community and become a participant. The satisfaction you will receive will make a difference in your life. What better way to get to know your neighbors and make new friends. The Homeowners Association is hoping to have everyone involved at helping our community to be better. I have truly enjoyed my first year as Eden Isle Homeowners Association President and gained much knowledge and friendships in our community.

REMINDER: 2011 dues statements will be mailed to you in January. Please make your payment promptly. Thank you for your continued support. Dues for 2011 will remain at \$120 making Eden Isles one of the least expensive residential subdivisions with an active homeowners association. We will also be mailing everyone a copy of the covenants along with the dues invoice in January 2011. It is really important that every homeowner be aware of, and understands, the HOA documents and deed restrictions of our community. Our documents set forth several restrictions. It is the owner's responsibility to read and abide by the covenants set forth. It also protects the overall investment homeowners have made in their home and keeps insurance rates lower. Please adhere to these requirements in order to prevent a potentially expensive and embarrassing situation for all involved.

It's time for all of us to deliberate and look at the following facts:

- Our budgets have kept up with inflation and reasonable care and maintenance for the aging of our community.
- Several projects such as the security cameras, street signs, and improvements exceeded our expectations.
- In addition, with the costs to operate and maintain our community increasing, our income (dues) has remained the same. Our dues are some of the lowest, if not the lowest in our area.

The Board and I would like to wish everyone a Safe and Happy Holiday Season.

Eden Isles is truly "Paradise on a half shell"

EIHOA Website

We have redesigned the Eden Isles Homeowners Association website!

We are excited about this new communication portal for all of our neighbors.

This tool is for everyone in our Homeowners Association. We encourage everyone to visit us at <http://www.eiho.org>

Please e-mail the website to be added to the e-mail distribution list.

Special Meeting with Local Leaders

The Eden Isle Homeowners Association Board recently hosted a special meeting with some of our local leaders. Our main focus was to discuss code issues as well as parking issues in Eden Isles.

Present at the meeting was the EIHOA Board along with representatives from the St. Tammany's Sheriff's Department, a representative from St. Tammany Parish Legal Department, Richie Artigue, our councilman and Kevin Davis, our Parish President.

The Board is hopeful with the redistribution of our covenants, many issues can be resolved before legal matters or the law enforcement have to be involved. We have a great report with local leaders and want to continue with the encouragement of our community.

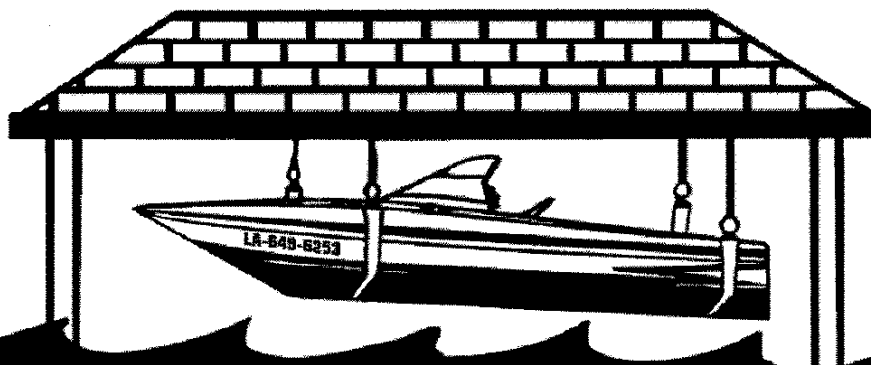

A garden flag with the Eden Isles logo will be given to all homeowners when you pay your 2011 dues.

Holiday Shopping Tips

Pay close attention to where you park your vehicle and if possible park close to a light pole. When leaving the shopping center, have your keys in your hand. Before walking to your car scan the parking lot for any suspicious activities, groups of people standing together in one area, people sitting in their cars but not getting out or watching patrons. If it is dark or you feel uncomfortable, ask a security officer to escort you to your car. Be sure to get in and lock your doors before pulling out of your parking space. Always trust your instincts, they're usually not wrong.

*If shopping with children **always establish a meeting place in case you are separated from your group.** Make sure your children have a cell phone they can call to reach you if you are separated. Encourage children to go to a store clerk or security officer and ask for help if needed. Lastly, always escort your children to the restroom, children have been photographed, molested and abducted from public restrooms and fitting rooms.

*Ladies, **always keep your purse closed.** Do not leave it unattended in a shopping cart or set it down on the floor or counter.

Fireworks Safety Tips

KEEPING YOUR FAMILY SAFE

"Fireworks are a great way to celebrate the New Year or our nation's independence but carelessness with them can lead to serious harm to yourself or others. Always remember to be safe when dealing with fireworks this holiday season. Here are some helpful tips to make sure your holiday is safe and FUN!"

Stay safe when playing with fireworks using these simple rules:

- **Always** have an adult present to light the fireworks.
- **Always** have a first aid kit and fire extinguisher present when using fireworks.
- **Always** use safety goggles and safety gear when lighting fireworks.
- **Always** squat to the side of fireworks when lighting them, do NOT stand over them.
- **Always** use "punks" when lighting fireworks, do NOT use a small lighter for matches.
- **Always** set fireworks at least 100 yards away from houses and do NOT light fireworks if there is a dry weather ban.
- **Always** obey local laws and be safe!

Eden Isle Homeowner's Association
September 7, 2010
General Membership Meeting

President- Cindy Franatovich **Green Space-** Cathy Drolla
Vice President - Paul Titus **Director-**Ralph Grimaldi
Secretary- Anne Nash **Welcome Director-** Lillian Gauthreaux
Treasurer- Jerri Candebat

1. The meeting was called to order at 705pm. Cindy lead the members to say the Pledge of Allegiance and prayer for our men and women in uniform.
2. Cindy welcomed every one, introduced the new association members, Charles and Joy Kates and Joy Berthelot. Our speakers for the evening were also introduced, Eddie Vauthier and Keith Nilsson from the sheriff's office. .
3. Copies of the last General meeting of the EIHOA were available for attendees to review. A motion was made to suspend the reading of the minutes.
4. Cindy honored Bill Baldwin for his many years of service to the organization as the Web Master of the EIHOA web site. The job will be taken over by Lee Longstreet. Bill was not available to receive his certificate of service so Cindy will drop it by his house.
5. The next drive way social will be scheduled in October or November, as soon as the weather cools down. Look for signs to announce location.
6. The second group of the street signs was installed on the back half of Windward Passage. We have received lots of positive feedback.
7. Cindy accompanied a concerned resident to Tulane Law Department to seek more information regarding the Oxford House. The final word after exhaustive research is that these houses are protected under the Disability Act. There is no recourse for the association or neighbors to have this situation change. If you feel unsafe at any time, you may call the sheriff's office.
8. There are 12 submerged boats in the Eden Isle waterways. FEMA, Homeland Security and St. Tammany Parish are working together to remove these final boats.
