

# THE EDEN ISLANDER

VOLUME VII, NO. 2

MARCH/APRIL 1994

FREE

Looks like winter is over because the spring colors are out in full bloom all over the neighborhood.

We have a full calendar of events for Eden Isles over the next several weeks. First, our second general membership meeting is scheduled for Tuesday, March 29, 1994 at 7:00 PM at the Tammany Yacht Club. This will be an important meeting that you won't want to miss. Sheriff Pat Canulette will

be our guest speaker, and he will be discussing security matters for our neighborhood. We have had some problems over the past few weeks, and one of his topics will be

lot of fun, and a chance to win \$1000! You'll be seeing more about the Poker Run over the next couple of weeks, so plan on testing your luck on a five card hand.

## A LETTER FROM THE PRESIDENT

a Neighborhood Watch program. Please plan on attending.

On a lighter note - on April 16, 1994 the Homeowners' Association is planning a giant subdivision party (particulars inside the newsletter). This will be a great family get-together and a chance for you and your children to meet your neighbors. Please plan on coming and bring your lawn chairs!

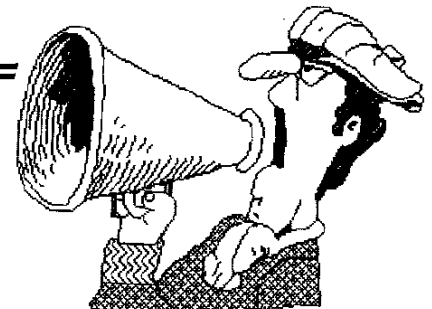

Our next major event in April will be on the 30th - our first Poker Run of the year. This is a major fund raiser for our neighborhood, a

I would like to take this opportunity to remind residents that Moonraker Lake is a private lake and also

that **NO** power boats are permitted. We had a problem recently with a power boat on the lake, and by the time the Sheriff's car arrived, the boater was gone. Please be considerate of your neighbors and follow the rules.

The warm weather means more boating. Please be careful, wear your life jackets, and remember, **NO WAKE** in the canals.

I hope to see you all at the meeting and the party (and don't forget the Poker Run)!

**GENERAL MEMBERSHIP MEETING OF THE  
EDEN ISLES HOMEOWNERS' ASSOCIATION**

**Tuesday, Mar. 29, 1994 at 7:00 PM**

**Tammany Yacht Club**

Spring has arrived in Eden Isles, and our work for the year has already begun. Some of our mowers have already started cutting neutral grounds because the clover is so high this year. Several volunteers have been seen weeding and pruning the flower beds on the boulevard. The ladies of the Garden Club weeded and

volunteer your services for other projects.

Funding is available and plans are underway to arrange the replanting of several more flower beds along the boulevard. We are hoping that some of the plants removed from these beds can be used in beds to be established in other areas of the subdivision. So watch for progress being made in the days ahead.

Also, contributions can be mailed to EIHOA-Greenforce, P.O. Box 2111, Slidell, LA 70459.

Special thanks to Beth Kobeszko, who carried out her promise to pledge a percentage of her commissions on her Eden Isles listings. She donated \$50 to GREENFORCE for the two houses she recently sold. And that is not a one time offering -- she will continue contributing.

Watch for information in a later issue of the Islander concerning a community work day, and come out and join us as we work to make Eden Isles a beautiful place to live.

# HAVE WE GOT A PROGRAM FOR YOU!

by Bill Northup, Programs Vice President

The Eden Isles Homeowners' Association will hold its next meeting on Tuesday, March 29, 1994 at the Tammany Yacht Club at 7:00 pm.

A security oriented discussion featuring our Sheriff, Pat Canulette will be the program for this month's Eden Isles Homeowners Association meeting. Come on out and listen to what the Sheriff of St. Tammany Parish has to say about "Things of concern to Safe Neighborhoods." Find out what things we could do to help preserve the peaceful enjoyment of our lovely waterfront community!

Certainly we are doing some things right, but what things are we doing wrong? I'm sure we can learn from what other areas of our Parish have encountered when they have tried to cope with rapid subdivision development. Perhaps we can get some insight into the workings of our local law enforcement and learn what we can do to make their job easier.

### Coming Attractions!!!....

Back by popular demand, Buddy Stall will be the featured speaker for the May 31st meeting. Don't miss it!

## EDEN ISLES COAST GUARD AUXILIARY

by Evelyn P. Nelson, FSO-PB

The Eden Isles Coast Guard Auxiliary (Flotilla 4-8) meets every second Wednesday of the month at the Tammany Yacht Club, 7:30 pm. Boating Safety and Seamanship classes are just about to wind up.

On April 23 and 24, 1994, there will be courtesy vessel

examinations at the Tammany Yacht Club. If you need further information, please call Jack Thomas at 649-2401. It is even possible to get your boat examined at your own home, if necessary.

There will be a safety class for personal water craft on May 17,

1994. This is a must for anyone that has a jet ski or is thinking about getting one. The class will be held a 7:00 pm at the Tammany Yacht Club.

# E.I.H.O.A. ANNOUNCES PLANS FOR NEIGHBORHOOD GATHERING

The Eden Isles Homeowners' Association is sponsoring a neighborhood party on Saturday, April 16, 1994 from 1:00 to 5:00 pm on the neutral ground at the corner of Windward Passage and Weatherly Cove. This will be a great way to socialize with your neighbors as well as meet and welcome the new members of our community.

There will be a Space Walk for the kids, a DJ with great music, hamburgers, hot dogs, jambalaya, soft drinks and beer - all under the big Fishing Rodeo tent.

Hot Dogs	\$1.00	Soft Drinks	\$ .50
Hamburgers	\$2.00	Beer	\$1.00
Jambalaya	\$2.50		

Help us to make this event a great success, simply by attending with your families. So that we can do our part, please call either Tammy Austin at 641-6244 or Debbie Willoughby at 649-4210 by April 6th, to let us know how many will be attending. Or, complete the form below and mail it to E.I.H.O.A., P.O. Box 2746, Slidell, LA 70458.

Mark your calendars and plan to attend. Bring your friends! There will be a raffle and some great door prizes! Something for everyone!

# ARCHITECTURAL CONTROL COMMITTEE REPORT

by Bill Northup -- Unit Four

The Architectural Control Committees exist in order to maintain our property standards consistent with the covenants. The covenants are different from the zoning laws which the parish enforces. The zoning laws are uniform for the entire parish depending on what the particular zoning classification for a property is. Our covenants are of a considerably higher standard. It is up to us to enforce our own covenants which we agreed to when we purchased our lots. Any construction of any kind requires BOTH a permit from the parish and from the respective Eden Isles Architectural Control Committee. This includes decks and docks and other additions. To get a permit you must submit a detailed plan and drawing of the proposed

construction to the secretary of the ACC of that unit. In unit four this would be Pam White, 111 Gretel Cove; 649-7214.

It is possible that if there are no volunteers to have a functioning ACC in one of the 5 different Eden Isles units, and someone wants to build something in that unit, then there just IS no one to submit plans to. In this case the covenants are still in effect but it is up to individual property owners to approach offenders about possible violations. When this occurs AFTER the home is built and moved into, it becomes rather difficult. However, you can bring a lawsuit against the NEW property owner to recover damages for degrading the neighborhood. The builder is out of the picture at that point. If you know someone buying a home in Eden Isles, I would suggest that they make

SURE that plans are on file with the respective ACC. This is especially important if there is an active ACC in your unit and possibly the builder thought it was unnecessary to go through the bother of submitting the plans and paying the fees.

The way I understand it, right now, only Unit Three and Unit Four have active ACCs. The ACC's composition can only be changed by an alteration of the covenants since each ACC was created by the respective covenants. If a majority of the property owners in any unit would like to sign a petition to have a unified Eden Isles ACC, then possibly we could make up for the lack of volunteers in the other units. This is better than trying to sue everybody who is in violation or, the alternative, which is just to let things slide.

## SECURITY REPORT

by Sid Menard

The first three months of my new job as head of the Security Committee hasn't been uneventful. We've had our first taste of gang style graffiti, and the sign and garden at the Marina Drive end of the Boulevard has bit the dust again. We know that it was a '93 or later Ford Ranger pickup truck with a missing license plate bracket from the front bumper. I happen to have that part which was left at the scene. If anyone has any

information in regard to this episode, please let me know.

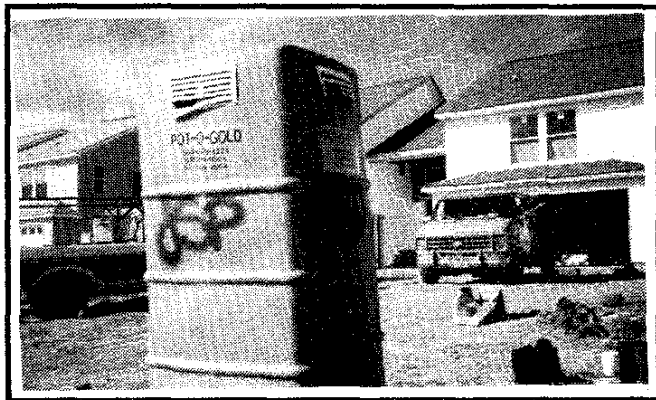

I am investigating changing the schedule of the guards to get us guards all night, especially on weekends. To get this we must give up some coverage during the daylight hours. When funding increases, we can renew that coverage.

It is my objective to have 24 hour guard gate coverage and at least 4 hours of sheriff patrols. To achieve this would require 825 subscribers at the present level of \$15 per month.

So let's get going. If you don't presently support the Security System, please send us your check next month when you get your letter.

# WILL YOUR PROPERTY BE NEXT?

Let's say you have a family, a career, friends, and a hobby. Oh, and a home in the perfect location -- Eden Isles. You've done your homework and found a very attractive place to live in, a quiet, prestigious neighborhood with many recreational features. Besides, you've made an excellent investment, as houses in this area appreciate every year. But if you think that

Last year he decided to move and put his condo up for sale. Although the house was in excellent condition, there was elegant landscaping throughout the complex, and the pool was kept well, all he could get for it was \$49,000. There was one major factor decreasing the property values in that area -- the rise of crime in the adjacent neighborhoods.

spread of crime. We don't want the same thing happening here.

Although Eden Isles is still a

For most of us, a home is a lifetime investment which we expect to appreciate with the years. We have to act now to keep Eden Isles safe, so that we can still enjoy walking, jogging, or biking on our streets without having to carry a gun for personal security. Those sophisticated alarm systems might protect your belongings, but they won't protect you from serious losses when crime causes your property's value to dwindle.

you can rest now, read this:

Ten years ago, a friend of mine bought a condominium in a newly developed area of New Orleans East. The complex had a swimming pool and was nicely landscaped. He paid \$75,000 for it, and after moving in, he installed the most sophisticated burglar alarm system available on the market.

pretty safe place, there were some incidents on our streets lately (among them car theft, theft of electronic equipment, attempt of vehicle burning, break-in and theft of equipment from a guardhouse, and gang-type graffiti) that might indicate future problems. We need to wake up and smell the trouble before it's too late. In large areas of New Orleans, property values plummeted due to the

If everyone would contribute to Security, we would benefit from 24 hour a day guard service at a smaller cost per resident. Think about it. Is \$180 a year too high a price to protect your investment worth well over a hundred thousand dollars? We have too much to lose to keep going like we have been. Let's all pitch together - there's safety in numbers.

The February meeting was held at the home of Diane Saucier, co-hosted by Carolyn Coullard. It was decided that there would not be a judging for "Yard of the Month" for the month of February due to bad weather conditions and the poor condition of the yards.

On March 2, 1994, the Garden Club held their meeting at the home of Pat Buffardi, Bonnie Johnson co-hosting.

The results of the March "Yard of the Month" are as follows:

## WELCOMING COMMITTEE REPORT

by **Beth Kobeszko**

As you can see, many people have moved into our neighborhood in the last two months. The Welcoming Committee receives a list of newcomers at the end of each month. This means that those who move here at the beginning of a month have to wait a long time until they are welcomed. To solve this problem, I am asking you to report anyone who moves in near you to the Welcoming Committee. Call me, Beth Kobeszko, at 641-4869.

### Community Scoreboard

Occupied Homes.....	933
'94 Homeowner Members.....	360=39%
'94 GREENFORCE donors.....	225=24%
1st Quarter Security.....	317=34%
Support all.....	148=16%
Do Nothings.....	467=50%

Just imagine what we could do if everyone in Eden Isles worked to improve the quality of life in our neighborhood.
