## EDEN ISLES COMMUNITY SERVICES DISTRICT UPDATE

As of the 28th of March, the proposed legislation to create the District is in Baton Rouge being typed into legislative form. Over the course of April and May, there will be block meetings set up to discuss how the District is to be set up, its responsibilities, how it is to be governed, how each resident or property owner is to be taxed and to get your feedback on what services that you want provided.

Contrary to rumors that have been circulated, every property owner, or other interested party will have the opportunity to put his "two cents worth in" and every registered voter will have the right to vote as to the tax plan that will be proposed at two public hearings on this issue. The purpose of the legislation is to create the "District". The tax each is to pay is what you vote on. If the majority of people decide that they don't want to tax themselves to make improvements in Eden Isles, then the "District" is just that, a "District". In its own right, it has no ability to impose any tax or assessment on you, or your property only you have that right.

If you would like to have one of these meetings in your home, please contact Milton Gibson at 641-6971. If you would like any specific information concerning the creation of this "District", you may contact Mr. Gibson, or mail your questions or suggestions to the Eden Isles Home-owners Assoc., Inc., 100 Eden Isles Drive, Slidell, La. 70458.

## PLANNING SOME SPRING REPAIRS?

Remember that the Covenants for Units 3 and 4 require that all new construction be approved by the Eden Isles Architectural Committee. This includes fences, boat docks, decks, patios, additions, etc. For your information, since our last report the Architectural Committee has approved plans for 2 fences, 1 sun deck, 2 decks with hot tubs, 2 docks and 1 new house. The Committee meets weekly if there are plans to review, so you don't have to wait long for your approval. Just call the Committee Secretary, Betty Stewart at 643-5222, for an application or further information. Copies of the Covenants are also available.

## SECURITY UPDATE

Should you require decals or tags for your automobile, contact Betty Young at 646-0596. Decals are no longer being given out at random. You must bring your registration for each automobile that you are requesting decals for in order to get the decal.

The Security Committee is sorry for this inconvenience, but a few people have abused the system and requested decals and tags for friends, etc. who do not reside here. The decals are for your protection and have kept the crime rate down in Eden Isles. Please help us by cooperating.

**LOST SIGN**

Carol and Ron, are you missing something? Maybe a sign? Well, if so you can find it at the Eden Isles guard gate.

Seriously, we have a sign at the guard gate that says "welcome aboard, Carol and Ron" and has a sailboat on it. If anyone knows the whereabouts of Carol and Ron, send them on down to pick it up.

## WATER SAFETY

As spring approaches and we begin to clean up the boats, get out the fishing tackle and begin to think of warmer weather, boating, swimming, let's all remember that as much fun as we have on the water, it can also kill you if you don't use common sense and follow simple safety rules that we all know, but many times don't think about.

Last year we had two drownings in the canals of Eden Isles. Let's do all we can this year to reduce that to none.

Also, keep in mind that we do have a 5 MPH, No Wake Speed Limit in our canals. Even though we might need to get somewhere in a hurry, remember the law and be considerate of your neighbors' boats and bulkheads.

Let's all have a great spring and summer, but make it a happy time for all.

## FLAGS

Does anyone know the proper way that we should display the flags at the guard house? If so, please draw a diagram and mail to The Eden Isles Homeowners' Assoc., Inc., 100 Eden Isles Dr., Slidell, La. 70458.

## COME JOIN THE FUN

Lakeside Swin Team is getting ready for summer. Registration beings at a skating party on April 4th from 4:30 PM to 6:30 PM. Coaches will be available to answer any questions. There will be plenty of time for parents to ask questions while the kids skate.

Swimmers range form age 4 to 18 years. The only requirement is that you can swim. There are already many Eden Islanders who swim for the Lakeside Gators, so come join the fun! Learn the different strokes or just perfect the ones you already know. Practice begins the first week of May, so don't delay your registration. If you would like more information, call Mrs. Gibson 641-6971 or Mrs. Loman 643-3358.
