

THE EDEN ISLANDER

VOLUME IV, No. 8

AUGUST/SEPTEMBER 1991

FREE

A LETTER FROM THE PRESIDENT

The weather is simply beautiful this morning. The shiners are breaking all over the canal, the redfish and speckled trout are chasing them, and I'm sitting here typing this article. I'm either dumb or devoted to a deadline. I'll let facts speak for themselves.

From the reports I hear, the fishing is good all over the Lake now. This comes just in time for our Fishing Rodeo coming up October 5th & 6th. Check out your fishing gear and plan to take part in a real fun time. If you don't like fishing, try your luck in the Poker Run on Saturday. Whatever you do, plan to attend. We will have food booths, drink tents, display booths, and quality entertainment Saturday evening and Sunday afternoon.

For those of you who have not been advised, we are in desperate need of people to help man the booths and tents. If everyone would donate an hour or two, no one will be overloaded with work, and everyone will pass a good time.

This Fishing Rodeo and Poker Run is a fund raising project for the Eden Isles Community, and every homeowner will eventually benefit from the proceeds which

will be dedicated to community improvements. So it is important that everyone get involved to make it a success.

Our next meeting will be a **"Meet the Candidates"** night for the upcoming election on October 19th. Most of the candidates are new to the political scene, so this will give you a chance to find out what they stand for. We will be meeting at the **Tammany Yacht Club** (above the Marina Cafe) on **Tuesday, September 24th, at 7:30 PM.** See you then.

Sid Menard

A LETTER TO THE RESIDENTS OF EDEN ISLES

*Since this issue of the EDEN ISLANDER is being distributed to ALL residents of the subdivision, we would like to address this letter
To those residents that do not support the Security Service*

Dear Neighbor:

We have a very tough job here ... we have to convince you to spend money for a service you are currently receiving for free. We're talking, of course, about the **Eden Isles Security Service**, a unique amenity that has operated since 1981 and has been very effective in deterring the substantial increases in crime other subdivisions are experiencing.

While it is true that you can choose not to contribute a cent to a service that affords you a more secure environment and enhances your substantial investment in property, there is only one catch ... somebody has to pay the bills to keep the Service going.

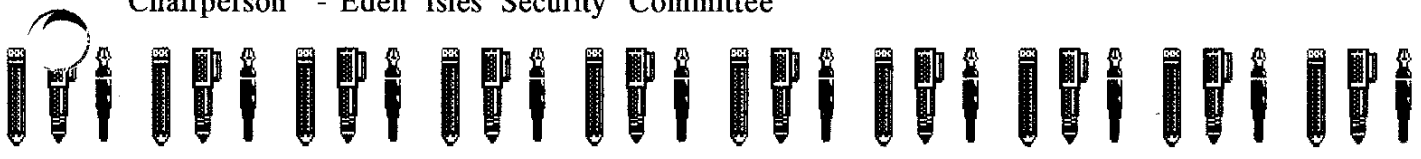

Fortunately, we have had a staunch nucleus of residents who have been shouldering the responsibility of maintaining a service that contributes to **YOUR** property's value and **YOUR** family's well-being. The benefits of the Security Service inure to the entire community, and not just to those who help fund it.

Members are the backbone of the Security Service and, unless we all do our part, it will disappear. We are asking you to put your money where you have chosen to live the "good life". Think for a moment about all you do over a month's time to enrich the lives of your family. Thank of the enjoyment you get from living in Eden Isles.

All we are asking you to do is to share the commitment that your caring and concerned neighbors have made to keep our community at the top of safe, desirable places to live in eastern St. Tammany Parish. Whether or not you are currently being billed, we need your help and look forward to hearing from you -- please mail your check to **P.O. Box 3095, Slidell, LA 79459**.

Sincerely,

Marilyn Meier
Chairperson - Eden Isles Security Committee

**COAST GUARD
AUXILIARY FLOTILLA**
by Bob Nelson

There is an urgent need for us to establish a Coast Guard Auxiliary Flotilla here in Eden Isles. Because we are a boating community, and many of us have experienced some kind of trouble while out on a fishing trip or pleasure cruise, we realize and appreciate the value of the assistance provided by the Coast Guard.

Presently, we have only one Coast Guard Auxiliary vessel here in Eden Isles. The Coast Guard would like us to establish a flotilla so that we can better help our own residents, as well as others, when a boating emergency occurs. The prerequisites are as follows:

1. You must own a boat, 16 ft. or longer.
2. You must attend a safe boating class, given by the Coast Guard Auxiliary.
3. You must be at least 21 years of age. There is no sex restrictions or upper age limit.
4. You must attend monthly meetings and take qualification courses to qualify as crew or skipper. The qualification courses are to demonstrate your abilities when participating in an authorized Coast Guard activity. The mission may be search and rescue or patrol missions. Your fuel and oil expenses are reimbursed by the Coast Guard when you are on an authorized mission and your orders are provided to you. When you are on a mission, you will wear the uniform of the Coast Guard Auxiliary and your boat will display the

patrol signs and the Coast Guard mission ensign. Any damages that may occur to your vessel are covered by the Coast Guard while on an official mission.

5. We must have at least 15 members to establish a flotilla.

If you are interested or require any additional information, please contact **Bob Nelson** at **649-1230** or the Coast Guard.

**ARCHITECTURAL CONTROL
COMMITTEE - UNIT FOUR**
by Mike Dooley, Chairman

The board members of Eden Isles Architectural Control Committee, Unit 4, are planning to hold a forum meeting discuss issues and concerns that may affect the residents of this area. The board would like to express its opinions on certain issues, and we would like to hear from the residents of this area in order to be guided by the consensus.

The tentative meeting date is **October 15, 1991**. It will be held at **7:30 pm** at the **Tammany Yacht Club**. A special mailing will go to all property owners in Unit 4 approximately ten days before the meeting date as a reminder of the date and time. We are counting on your attendance.

The meeting discussion will focus on the issues that seem to draw the most attention:

1. When building permits are required.
2. Flood elevation levels.
3. Use of anodized coated metal roofing on homes and deck covers.

ARCHITECTURAL CONTROL cont'd.

- 4. Landscaping, as required by the covenants.
- 5. Yard lights.
- 6. Street parking.
- 7. Off street parking on vacant lots.

If there are additional issues that you would like to see addressed, please contact a board member, listed on the information page. Additionally, the following residents are new members of the Architectural Control Committee for Unit 4:

Robert Meier
120 Southern Star
641-8357

Clyde Naquin
421 Charles Court
649-3783

As committee members, we would hope that our residents would not make this forum into strictly a "gripe session". However, we wish to hear about your concerns, and we will do everything reasonable to resolve these issues. Our hope is to come together to develop resolutions that will have a positive effect on our community.

GARDEN CLUB NEWS

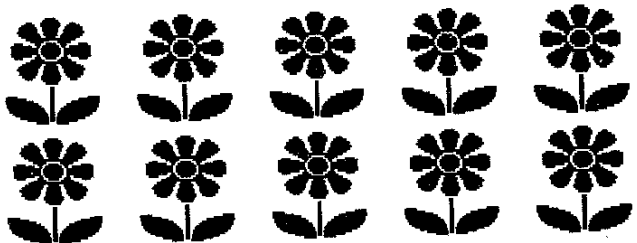

by Brenda Castiglione

The Garden Club held their first meeting of the year at the home of Lucille Hunter. The meeting was co-hosted by Josie Avocato.

Plans were discussed for participation in the Eden Isles Fishing Rodeo to be held this month. The Garden Club will sponsor a Sweets/Plant booth.

The Greater Slidell Council of Garden Clubs will sponsor a Bingo, Bridge, Style Show and Luncheon beginning at 9:30 a.m. on October 24th in the Slidell City Auditorium. The Eden Isles Garden Club is responsible for organizing the event this year. The fashion show will be sponsored by Maison Blanche and the members of the area Garden Clubs will model the fashions.

The next meeting of the Eden Isles Garden Club will take place on **Wednesday, October 2nd.**
