

# THE EDEN ISLANDER

Vol, No. 8

September 1988

FREE

## HOMEOWNERS' MEETING

Homeowners' meeting set for Tuesday, September 27th at 7:30 PM. The meeting will be held at Salmen High School Cafeteria.

## COMMUNITY SERVICES DISTRICT UPDATE

Eden Isles Community Services District sets meeting dates and announces meeting place.

The District will meet the 1st and 3rd Mondays of each month until further notice. If a National or State holiday falls on the 1st Monday, the meetings will then be on the 2nd and 3rd Mondays.

The meetings will be held at Abney Elementary School in the cafeteria. Abney is located on Kostmeyer Drive in South Slidell. (Go into Slidell on Pontchartrain and turn right on Kostmeyer and go three blocks. School is on right).

The phone numbers of each commissioner are listed below in order for you to give your input into the District.

Rodney Brule'	643-0075
Milton Gibson	641-6971
Marilyn Meir	641-8357
Peggy Menard	649-3555
George Van Geffen	649-3742

## SURVEY OF SERVICES

The Eden Isles Community Services District is currently running another survey to see what types of services people want. Please fill these out. The District is a reality and the only way that the Commissioners will be able to respond to your needs and provide the desired services is for you to fill these surveys out and turn them in. Additional forms can be picked up at the guard house.

## SUMMER IS OVER

Well folks, summer is over and school has started again. Let's remember that the kids getting off the school bus do not always pay attention or use their best judgment. Please watch for them in the mornings and afternoons as they board and get off the bus.

## EDEN ISLANDER CIRCULATION

Recently we have been attempting to get the Islander out to all the residents in Eden Isles including Hwy 11 and Lakeview Drive. However, we are not getting enough money in from advertising or from people joining the Homeowners' Association. We do not make a profit on the Islander and in fact, we are starting to go in the hole.

If you can support us with an advertisement or care to join the Association in order to help out this worthwhile endeavor, please contact George Denn at 643-3125.

## POTHOLES FILLED

by Bill Weil

At a recent public hearing concerning the fire insurance rates for Eden Isles I met our new Police Juror, Gary Rinck. Gary asked me if there was anything the parish could do for Eden Isles. I mentioned that our potholes needed to be filled and some drains unclogged as well as stop signs replaced, etc. Gary challenged me to produce a map of Eden Isles with the location of the potholes and deliver it to his office the following day, Thursday, July 28th, and he would have the road crew in Eden Isles on Friday morning July 29th. Well, Gary is a man of his word as most of you have noticed. I think Gary deserves a special thanks for his assistance in this matter. Gary would like to hear from Eden Isles residents regarding any concerns or questions in which he may be of assistance. Please call Gary Rinck at 649-7100 (work) or 641-3689 (home).

## SAFE DRIVING

Passing on the right on Eden Isles Drive is Taboo.

Cars passing on right on Eden Isles Drive are breaking the law. Recently there have been accidents caused by folks getting in a hurry and passing on right. Don't do it. Remember also that the speed limit is 25 MPH.

Also, Moonraker Drive is not a speedway - please slow down and keep an eye out for children and ducks.

## CLASSIFIED ADS - Services Wanted

Baby sitter needed. Mature lady with references, 4:30 AM to 8:00 AM, 5 days a week. 2 kids off to school at 8:00 AM. 641-5431

ADOPT A TREE OR TWO

by Bill Weil

Anyone wishing to plant trees on the common grounds owned by the parish within Eden Isles should contact me, Bill Weil, at 641-4594. Gary Rinck is organizing a district volunteer beautification committee to enhance the parish owned areas within his district. Landmark Land Co is willing to permit us to remove any trees we can carry from certain areas of the old golf course and use them to plant on those portions of ground bounded by parish streets. The key is that we need able bodied people who are willing to help dig up and then plant the trees. Landmark Land Co. needs these trees moved within the next several weeks. Once these trees are replanted it will be necessary to cut the grass around them so that the tractor driver does not mistake them for weeds. This is a great opportunity to obtain trees for those common areas across the street from your house or lot. There will also be 5 acres of land across the I-10 from Eden Isles devoted to a plant nursery and vegetable farming. The produce will be donated to the homeless and the shrubs and trees will

ADOPT A TREE (continued)

be planted within our district. Anyone wishing to volunteer, please call me.

George Kendrick, Owner

MICRON 44 is a multi-seasonal product similar to MICRON 33, in that their antifouling lives can be significantly longer than conventional antifouling paints. MICRON 44 has been developed with a different biocide package than MICRON 33 which improves its slime resistance, while maintaining excellent antifouling performance. By modification of the copolymer, the coverage rate per gallon has been increased significantly (as much as 35%), making MICRON 44 more economical to apply. Unlike other copolymers currently available, MICRON 44 can be applied to high speed powerboats with excellent results.
