

Housing-project in Oak Harbor / Eden Isles.

Developers (Provident Realty - Lakeside Apartments) are preparing to build a 250 unit housing-project on Oak Harbor Blvd, Slidell (this was in the "pending" state according to the paper). Two other projects have already been "approved" on Howze Beach Rd (84 unit) and Spartan Dr (120 unit). These projects need to be ready by Dec 31 2008 to be eligible for federal tax credits for Section-8. Here is an excerpt from the Times Picayune article: But Provident didn't venture into the local residential market until this year, when it proposed building a 250-unit mixed-income project on an empty lot off Oak Harbor Boulevard in Slidell.
