## Why do we need a Homeowners Association?

- \* To help maintain the quality, integrity & property values of our neighborhood.
- \* To serve as a recognized neighborhood entity speaking for all when addressing our governing agencies.
- \* Landscaping & decoration of the neighborhood entrances.
- \* Provide a website to make finding important info easier.
- \* Neighborhood civic activities.

## ***A note about dues:***

While membership is voluntary, we ask you help us achieve neighborhood goals by being a supporting member. Any property owner is encouraged to be a member which gives you the right to vote at our meetings. We also accept donations from those who wish to support the organization. MICOI is registered with the state of Louisiana and does report its non-profit financials. The money we collect helps offset the cost of accounting, state registration, events, meetings, legal, publications, signage, landscape maintenance and the like. Board & committee members are uncompensated neighborhood volunteers whose only interest is contributing to the well being of the neighborhood as their time & resources permit. If you would like to help or have comments please let us know. Email us at [micoi@outlook.com](mailto:micoi@outlook.com) The more homeowners that participate, the more your organization can accomplish.
