WORKING SMOKE ALARMS

- are required by law**
- are required by insurance**
- are essential to everyone's safety**

Notes: New for 2025, per HUD, smoke alarms must contain a 10-year life, non-removable sealed battery.

Removing or otherwise disabling these devices will likely result in charges to the resident.

Smoke alarms are mandatory, Carbon Monoxide alarms are not required because there are no fuel burning appliances on our property.

**Smoke Alarms are not compatible with smoking of any kind.
Therefore, please take your smoke breaks outside.**

Thank you.
